

First Annual Meeting
November 13-14 2008
AAAS Headquarters,
Washington

Neuroethics Society

Join us for symposia, poster sessions, a debate, business meeting, luncheon, information session & gala reception

Symposium topics: Brain Enhancement ~ The Business of Neuroscience ~ Neuroeconomics and Decision-Making ~ Deep Brain Stimulation and Functional Neurosurgery ~ Neuroscience and National Security ~ Forensic Neuroscience ~ Controversies in Pediatric Neuropsychiatry

Thanks to the Dana Foundation for its ongoing support of the Society and its first meeting, to the AAAS for their generous assistance with the meeting, and to the Greenwall Foundation for providing student travel fellowships.

To register for the meeting, submit a poster, reserve a hotel room or apply for student travel support:
